by the P.W.D, provided the cost of the work was treated as a Contribution recovered from the ryots.

2. The estimate for the work of clearing silt in all the Channels of the Sulekere amounting to Rs 4352 is reported to have been sent up to the D.G. Comm:r by the Ex. Engr. of the District, but no action appears to have been taken by the former Officer. The Chief Engineer now emphasises the necessity for taking up the work early & has requested the Revenue Comm:r to issue instructions for the work being taken up early.

3. A copy of his letter to the Rev. Comm:r has been submitted for the information of Govt.

Bogs 20/7/09. Though the wells no longer required for affording employment, it seems to be necessary to start it early as otherwise the cost of clearing the silt may become heavy. The Rev. Comm:r will probably issue the necessary orders to the D.C. of Shimoga and the paper may for the present be filed.
